## Schedule

### Irish Under 8 Chess Championships

- Registration will be open from 11am to 11:50am on the day. Even if you've entered in advance, we do require you to register with us on the day so we know you're here! Entries will be accepted on the day as well.
- Round 1 will start at 12pm. Subsequent rounds will start within five minutes of the conclusion of the previous round. The tournament will last for at least six rounds, and will run straight through to the prize-giving at around 4:30pm
- All equipment – clocks, boards and pieces – will be supplied on the day
- Players score 1 point for each game they win, half a point for each game they draw and 0 points for each game they lose. At the end of the tournament, the player with the most points will be the tournament winner.
- The tournament is not a knock-out – if a player loses a game, they will still be in the draw for all subsequent rounds.
- Players of all standard are welcome; the tournament is suitable for all players who know how to move the pieces.

### Other events

- A **rapidplay tournament for U-10s and U-12s** will be held alongside the U-8 tournament. First round at 12pm; entry is €10, and you can enter online at [www.icu.ie/shop](http://www.icu.ie/shop). Note this is separate from the main U-10 and U-12 competition – see separate flyer at [www.icu.ie/events/739](http://www.icu.ie/events/739).
- A 5-round **rapidplay tournament** (15 minutes each) **for parents and others** will also be held alongside the U8 tournament. Entry is free – so why sit around for the afternoon when you can join in the fun! First round at 12pm.
- A plastic **giant board** – 6ft x 6ft – and pieces will be available for fun games – outside, if weather permits!
- For siblings and other family members who don't know how to play but would like to learn, **lessons for beginners** will be available throughout the day.

  - Learning to play – chess at home, chess at school

  - Improving – openings, tactics and endings; books, DVDs and coaching
