

25 May 2019
Chess Seminar
(for 1600+ players)

Fundamental Rook Endgames

by GM Alex Baburin

At this seminar we'll focus on rook endgames with no more than two pawns in total. Such endgames are very common and therefore important. At the same time, these endgames can be very difficult to play correctly and even top Grandmasters often make mistakes in them. Improving your technique in this area will bring in many extra points over the board. GM Alex Baburin will test your knowledge in such positions, explain key positions and techniques and then again test your understanding of such endgames with positions from tournament practice.

Date & time: Saturday, 25th of May, 15:00 – 19:00
Venue: Talbot Hotel Stillorgan (ample free parking!)
Entry fee: €50

Schedule:

15:00 – 15:15 – Registration
15:15 – 15:45 – Mini-test
15:45 – 16:30 – Study of key positions and techniques
16:30 – 16:50 – Break
16:50 – 17:40 – Study of key positions and techniques
17:40 – 18:40 – Test and practical exercises
18:40 – 19:00 – Analysis of the test and exercises

With any queries or to book your place, please e-mail Alex Baburin at baburin@gmail.com or send a text to 087-968-2378.
